

The 2021 devotional books and NAD sharing books are now available

BOXED SET (both adult and evening devotionals in a beautiful gift-box)
\$47.99

ADULT—*Jesus Name above all Names* by E. G. White
\$26.99

Ellen White used an amazing variety of names by which she referred to Jesus in her published writings—more than 840 in total. 365 of the best are captured here. Each reading also features a reflection thought or question to help the reader apply that day's message. This devotional will introduce you to Jesus. Each day's reading will enrich your walk with Him until the day when all call on Jesus—the name above all names.

EVENING—*A World on Fire* by David Metzler
\$26.99

These devotions focus on Paul's story, a story of the spreading the good news of salvation. You'll read of Paul's mission to the Gentiles and his perseverance in taking the gospel to the 'uttermost part of the earth.' This story looks at a world at a time when the gospel was spreading like wildfire.

WOMEN—*Color My World with Love* by Carolyn Sutton, editor
\$22.99

Bible writers splashed color throughout their narratives: the priestly breastplate, Joseph's multi-colored coat, Rahab's scarlet cord, Lydia's purple cloth. Before that, God colored His world—from the cornflower blues and ruby reds of that first rainbow to the gemstone oranges, mint greens, and purples in the foundation of the New Jerusalem. Today Jesus invites His daughters to color their world. Not only with resources, time, and talent but also in hues of faith and hope, always remembering that "the greatest of these [colors] is love" (1 Corinthians 13:13, NKJV)

YOUNG ADULT*—*Community* by Troy Fitzgerald
\$22.99 (paperback)

An interactive and thought-provoking look at how God wants us to care for each other. Why is community so difficult to attain? What keeps us from embracing the relationships that we are wired for? These questions and more help the reader to flesh out the principles and practical application inside. This devotional is challenging to the reader and perfect for a small group setting as well.

TEEN—*Time Warp* by Bradley Booth
\$22.99 (paperback)

Break out your hiking shoes—you'll be trekking through time and space to rendezvous with some famous (and not-so-famous) people on significant dates in history. You'll watch events unfold that impact your life today. And (you guessed it!) there's even a spiritual application tucked away in every experience you encounter.

JUNIOR-EARLITEEN—*Skyscrapers* by Eric B. Hare
Regular CAD\$22.99 (paperback)

Eric B. Hare, legendary storyteller and missionary, crammed this devotional full of stories that will help you get to know Jesus—and have a happier life.

PRIMARY—*God's Big Idea* – Rosanne Tetz

\$22.99

Start at the beginning with God's plan to create a new world, through the six days of Creation, and end up with God's plan for a new earth. Along the way you'll solve many of life's lesser mysteries (do fish sleep?) and think about a few of the greater ones (why am I here?). When you finish this book, you will know what Seventh-day Adventists believe. More important, you will know that God has a plan for this world—and a plan for you, too.

PRESCHOOL*—*My Best Friend Jesus* by Cheryl Woolsey

\$22.99

Bring your preschool children to Jesus every day with 180 lessons. The short, simple devotionals build on Jesus' action-based style of teaching and explore Jesus' life through the book of Matthew.

Sharing Books for 2020

Hope for Troubled Times – Mark Finley

We live in a sin-sick world. Catastrophes surround us, but we can surrender our fears to Jesus. He is the answer to overwhelming fears that consume our energy, rob our joy, and ruin our health. A perfect book and topic for the times we live in.

Words of Hope - E.G. White

This group of selected chapters taken from Christ's Object Lessons presents the stories Jesus told and draws practical, down-to-earth lessons from common scenes, objects, and incidents of life. Readers will learn about setting priorities, the blessing of generosity, the power of humility, the way to forgiveness and forgiving others, and how to live with optimism.
